EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

2. Authorization for this examiner's amendment was given in a telephone interview with Christopher Harris (Reg. No. 43,660) on 10 May 2007.

The application has been amended as follows:

Claims 9-10: (Cancelled)

Claims 35-52: (Cancelled)

Claims 57-67: (Cancelled).

DETAILED ACTION

3. Claims 28-34 and 53-56 have been presented for examination.

4. Claims 1-27, 35-52, and 57-67 have been cancelled.

Response to Arguments

5. Applicant's arguments, see pages 9 and 10, filed 29 June 2006, with respect to claims 28-34 and 53-56 have been fully considered and are persuasive. The rejection of claims 28-34 and 53-56 has been withdrawn.

Allowable Subject Matter

6. Claims 28-34 and 53-56 are allowed.

7. The following is an examiner's statement of reasons for allowance:

As per claim 28, it is well known in the art for PKI systems and certificate chaining.

Art Unit: 2131

As noted above, the Examiner agrees with the Applicant's arguments that the prior art does not teach ensuring that a user is still a PKI member and has not been issued a second certificate already in combination with the forwarding the second certificate to the respective authorities and directories. Since no teachings or motivation can be found of ensuring that a user is still a PKI member and has not been issued a second certificate already in combination with the forwarding the second certificate to the respective authorities and directories, claims 28-34 and 53-56 are therefore novel and non-obvious.

8. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
